Addendum to Quarterly Activities Report for the period ended 31 December 2015

During the quarter Brookside Energy Limited (**ASX:BRK**) (**Company**) continued to pursue its main business undertaking of oil and gas exploration and production.

Exploration Activities

As announced on December 7th, 2015 the Company (through its wholly owned subsidiary BRK Oklahoma Holdings LLC) made an investment in US focused energy start-up Black Mesa Production LLC (**Black Mesa**). During the quarter Black Mesa actively reviewed a number of energy focused opportunities with a focus on a returns-based, disciplined strategy directed at both acquisition of producing properties and lower-risk development drilling opportunities. Evaluation of opportunities is continuing.

No exploration was conducted during the quarter on the Company's leasehold interests located in Payne County, Oklahoma.

Production Activities

There was no production activity on the Company's leasehold interests during the quarter.
